Causative verbs explained

Audiovisual – 21/06/2024

Autor(es):

Carlos Quijano Almeida

Docente Ocasional Tiempo Completo

Resumen:

English is full of language usage singularities which need to be examined and understood to master oral and writing production skills. It is necessary to know how causative verbs are used in English in order to produce language in a more native-like form. Moreover, this video presentation tries to explain what gripes are and how can be expressed using causative verb.

Palabras clave:

Causatives, Gripes, Verbs, Grammar

Descripción:

Video presentation designed for intermediate and upper English levels.
